SELECTMEN'S REPORT

Construction,, completion, and full operation of Town's new \$3,000,000 Wastewater Treatment Plant.

Construction commenced on the Town's new \$223,000 Fire Station which will adequately house the Hampton Fire Department.

Continued progress on the sewer master plan with the completion of Boar's Head, Phase I, and the start of Boar's Head, Phase II, including Red Coat Lane.

Completion of the new Taylor River Bridge on Towle Farm Road which will alleviate the flooding of the highway even in a 100 year storm.

Employment of three civilians to do dispatching and clerical work in the Police Station. Positions were funded through the Comprehensive Employment and Training Act (CETA) and will be funded to June 30, 1978. This action has enabled the department to place three additional uniformed men on the street and a third patrol vehicle.

Continuation of the project of renumbering houses on those streets where confusion existed, and in some instances, numbers never existed.

A new 12" water main was installed on High Street, from Mill Road to Lafayette Road, increasing substantially, the fire flows in Town Square as recommended by the Insurance Service Organization (ISO).

Town ended 1977 with an estimated budget surplus of \$90,000 while still completing all the projects it set out to do.

For the first time in the Town's history, residents and taxpayers in the precincts submitted a petition of the Board of Selectmen to reduce the size of the Precinct from its present northern boundary at High Street to a point just south of Boar's Head at Guyon's Corner. The Board held a public hearing on the petition as required by State Statute and voted 3 to 1 to deny the petition. The majority of the Board felt it would be destroying the Precinct by changing the lines as petitioned. We felt that such a decision to dissolve the Precinct should be done by the residents of the Precinct at the Precinct Annual Meeting.

The Town Manager appointed Robert Picucci, Chief of the Hampton Police Department.

The Town Manager, in cooperation with the Board of Selectmen and Precinct Commissioners, appointed former Deputy Chief, Howard Stickney, as Chief of the Hampton Fire Department.

Following the summer season, the Board met with Mr. John Clements, Commissioner of the New Hampshire Department of Public Works and Highways, and members of his staff, to discuss some of our common problems relating to traffic, signing, etc. on the beach. It is our hope that more meetings like this will lead to better understanding and cooperation between State and local authorities.

The Board prepared and submitted to the Budget Committee a recommended operating budget of \$3,513,207. This budget represents our best thinking in terms of meeting the Town's ever growing needs and continuation of the many fine services our residents have become accustomed to.

The Town has been ordered, by the New Hampshire Board of Taxation, to reappraise all real estate as it has determined that real estate is inequitably assessed. In compliance with the order, we will be submitting a Special Article calling for the utilization of \$98,000 in Revenue Sharing Funds to revalue the entire community. The project will start in 1978 and will take about 18 months to complete.

We submitted an application to the New Hampshire Special Board to fill approximately one acre of land behind the Island Path Parking Lot. The permit, if approved, will enable us to provide 450-plus additional parking spaces on the beach, eliminate a mosquito breeding area in the heart of a residential neighborhood, and provide a drainage system in Island Path, Jones Avenue, and Jones Court where heretofore none existed.

We instituted a dump sticker program for residents and taxpayers and manned the gate at the landfill site. A noticeable decrease in usage resulted and it is our opinion that this program had put a stop to outsiders using our facilities.

We have wrestled with the problem of what is to be done with the land currently leased to the Hampton Beach Improvement Company when that lease expires March 31, 1997. Much legal research has been done on this question and we are proposing in the Annual Meeting in March of

1978 that the Town enter in a direct lease or agreement to lease between the Town of Hampton and each of the sublessees to commence upon the expiration of the 99 year lease. The land leased to the Improvement Company is currently assessed for around \$7,000,000. At today's prices, the Town would realize \$360,000 in lease income versus the \$2,300 the Improvement Company is currently paying the Town. Projecting these current prices of 1977, the Town will probably be collecting \$1,000,000 a year in lease income from that property. It is our hope that you, the residents, will approve our Article on Election Day, March 14, 1978.

The Town Manager advised the Board of apparent discrepancies in the payroll account and he ordered the Auditors to conduct an in-depth audit of the account for the past two years. The Board, upon advise of Town Counsel, handled the matter with dispatch by turning it over to the County Attorney's office. Steps have been taken to prevent any such occurrence in the future.

Selectwoman Helen W. Hayden, upon advice of her physician, submitted her resignation from the Board. Inasmuch as completion of this present term would enable Helen to achieve her 25th year as an elected pulic official of the Town, the Board of Selectmen, by majority vote, voted not to accept her resignation; and, placed her on a leave of absence for health reasons until the upcoming Annual Town Meeting.

TOWN MANAGER'S REPORT

Honorable Board of Selectmen & Citizens of Hampton:

I am pleased to submit my 6th Annual Report, as Hampton's Town Manager, for the fiscal year ending December 31, 1977.

The Town's financial position has never been better. The 1977 budget surplus amounted to \$188,263 which has increased our current surplus to \$246,587. The budget surplus was realized as the result of sound administrative controls and an unanticipated increase in revenues; amounting to \$75,000.

Hampton continues to enjoy an AAA bond rating because the wisdom of the Board of Selectmen and the citizens of Hampton has been to pay for what we can afford rather than finance. Consequently, the total bonded debt amounts to 2.4 million dollars, which, for a community the size of Hampton, is noteworthy. Many communities throughout the country are facing financial ruin by following the philosophy of "do it now, pay for it later."

Our new fire station is nearly completed, and is, in my opinion, the finest Municipal building this Town has ever built. The voters will be given an opportunity to tour the facility since the 1978 elections will be held there.

1977 has been a good year for the Town; and it is only with continued cooperation between elected and appointed officials that Hampton will continue to grow and prosper in the future.

As in the past, I will continue to dedicate my performance to those goals.

Yours truly,
Peter G. Lombardi,
Town Manager

BUILDING INSPECTOR REPORT

The Building Inspection Department consists of two full-time personnel; The Building Inspector and the Assistant Building Inspector.

The total cost of construction for the year of 1977 was **\$5,150,614.00**, a decrease of \$2,627.00 from 1976. There were 692 building permits issued. The graph below shows a breakdown by months:

Jan.	163,900	Jul.	298,825
Feb.	121,850	Aug.	206,652
Mar.	428,954	Sept.	1,135,288
Apr.	460,654	Oct.	251,704
May	464,044	Nov.	513,567
Jun.	419,021	Dec.	686,155

Permits issued by classification:

HOUSEKEEPING RESIDENTIAL BUILDINGS

One-Family houses	50
Two-Family houses	8
Multi-Family houses	2

MOVED OR RELOCATED BUILDINGS	2
MOBILE HOMES	2
ALL OTHER BUILDINGS AND STRUCTURES	
Industrial Buildings	0
Transit Hotels/ Motels	5
Residential Garages or Carports	22
Professional Buildings	1
Stores and Other Mercantile Buildings	3
Other Non-Residential Buildings	2
Structures Other Than Buildings	4
Swimming Pools	8
Garden or Storage Sheds	29
DEMOLITION AND RAZING OF BUILDINGS	
Residential	16
Other	8
ADDITIONS, ALTERATIONS AND CONVERSIONS	315
INDIVIDUAL PERMITS OVER \$100,000	3
MISCELLANEOUS	212
TOTAL	692

Total number of new housing units for the year 1977 were 93. Single family house construction was down 5% from 1976. 25 Building Violations were discovered during the year of 1977.

Building Permit fees collected for the year 1977 were \$17,858.00, as compared to \$18,996.70 for the year 1976.

The results of the Certificate of Occupancy for winter rentals are as follows:

1. Permits issued	226
2. Units inspected and pending	67
3. Total issued and pending	293
4. Total issued since enforcement June, 1976	474

Respectfully submitted,

John E. Medlock
Building Inspector

ASSESSOR'S REPORT

An increase of \$3,308,800 over the previous year resulted in the net assessed valuation of Hampton exceeding the one hundred million dollar figure, as indicated in the two-year comparison below.

TOWN AND PRECINCT TAXABLE VALUATION		
	1976	1977
Land	\$20,651,400	\$20,774,740
Buildings	72,753,980	75,628,900
Factories	539,150	596,850
Utilities	5,189,900	5,409,000
Mobile Homes	788,400	804,600
Boats	90,200	76,800
Gross Valuation	\$100,013,030	\$103,290,890
Elderly and Blind Exemptions	<u>-722,040</u>	<u>-691,100</u>
Net Valuation	\$99,290,990	\$102,599,790

Of the \$3,308,800 increase, \$1,085,190 occurred within the Hampton Beach Village District Precinct, accounting for approximately 33% of the added valuation. This was a significant increase in comparison to recent years in which the Precinct's contribution to growth in valuation had been averaging about 9% a year. The precinct portion of the town's valuation, comprising 34.1 of the total this year as it did in 1976, is shown in the following chart.

PRECINCT TAXABLE VALUATION		
	1976	1977
Land	\$7,234,670	\$7,243,460
Buildings	24,505,170	25,488,380
Utilities	1,716,800	1,804,100
Mobile Homes	511,800	524,900
Boats	60,100	44,200
Gross Valuation	\$34,028,540	\$35,105,040
Elderly and Blind Exemptions	<u>-131,290</u>	<u>-122,600</u>
Net Valuation	\$33,897,250	\$34,982,440

In comparison with the preceding year, there was a net increase of \$2.60 in the composite tax rate and a decrease of 30¢ in the precinct rate. The following table illustrates the apportionment of the amounts attributable to each jurisdiction; the percentage of the total rate for which it accounted; and a comparison between the 1976 and 1977 tax years.

TAX RATE STRUCTURE				
	1976	Percent	1977	Percent
Municipal	\$14.80	32.5%	\$16.30	34%
County	2.30	5%	2.50	5%
Winnacunnet Co-op	10.70	23.5%	11.60	24%
Elementary	<u>17.80</u>	39%	<u>17.80</u>	37%
Town Rate	\$45.60		\$48.20	
Precinct	<u>3.50</u>		<u>3.20</u>	
Precinct Rate	\$49.10		\$51.40	

A two year summary of amounts committed for tax collection is illustrated in the next chart.

COMMITMENTS TO TAX COLLECTOR		
	1976	1977
Property taxes	\$4,533,666.87	\$4,951,555.24
Precinct taxes	<u>112,643.45</u>	<u>106,973.11</u>
Gross Property taxes	\$4,646,310.32	\$5,058,528.35
Veterans' Exemptions	<u>-51,165.66</u>	<u>-53,255.76</u>
Net Property taxes	\$4,595,144.66	\$5,005,272.59
Resident taxes	57,020.00	59,920.00
National Bank Stock taxes	848.10	800.10

In addition to the assessment of the various taxes mentioned in the foregoing as agent for the Board of Selectmen, the assessor's office also process exemption and

abatement applications, Inventory forms and approximately 600 changes of real estate ownership per year. In the past two years, this office has also implemented a program of assigning or correcting house numbers in order to enable the police, fire and highway departments, as well as private and public utilities and services, to more readily locate properties. In 1977, responsibility for administration of town leased land was added to our assigned tasks.

The State Legislature having convened in 1977, several new laws or changes in existing laws resulted which are pertinent to property owners. Effective April 1, 1978, there will be a penalty for failure to file a fully completed Inventory of Taxable Property from on or before April 15 of each year. The penalty will be 1% of the property tax, but no less than \$10.00 nor more than \$50.00.

The war service exemption has been revised to include two categories for Viet Nam veterans. Eligibility has been granted to those who served between July 1, 1958 and August 5, 1964 and earned the Viet Nam service medal or the Armed Forces Expeditionary medal; and those who served from August 5, 1964 through May 7, 1975:

Similar to the exemption for real estate equipped with solar energy systems, a new law provides exemption for wind-powered energy systems, if approved by local referendum. Also subject to referendum are changes in the elderly exemption law which could increase the total assets limitation from \$35,000 to \$50,000 and revise the formula for computing the exemption from the equalized assessed valuation to the actual assessed valuation. In other words, the full amount of the exemption could be allowed rather than a proportionate amount based upon the prevailing assessment ratio. At present, this would about double the total amount of such exemptions and the added cost would be reflected in an increase in the tax rate.

At a hearing in December of 1977, as a result of a petition, the State Board of Taxation under its statutory authority has ordered the Board of Selectmen to implement a re-evaluation of all taxable property. Ten years have passes since the last revaluation and inequities abound. The purpose of such reassessment is to equalize valuations so that all property owners pay no more nor no less than their fair share, which is currently not the case.

This office acknowledges with gratitude the extremely competent services of Mrs. Dorsey Baron, who was employed here from 1974 through 1977.

Respectfully submitted,
Howard Promer, Assessor

NOTICE TO PROPERTY OWNERS

On October 25, 1976, the Board of Selectmen adopted the following ordinance, effective January 15, 1977:

Section 2:1002 Posting of House Numbers

Every dwelling, building or structure (whether existing on the date of adoption of this ordinance, or which may exist in the future) located in the Town of Hampton which has been or shall be assigned a street number by the appropriate Town of Hampton Agency or Agencies, shall be required to have such number posted upon such dwelling, building, or structure or upon property where such improvements exist, so as to be plainly visible from the street which abuts the main entrance to such property.

Section 2:1003 Penalty

The owner of any dwelling, building or structure who shall fail to post such number within thirty (30) days after notice from the Board of Selectmen or its duly authorized agent, shall be fined not more than twenty-five (\$25.00) dollars for each day that such number is not posted.

In accordance with the above, owners of unnumbered or incorrectly numbered properties are requested to contact the Assessor's Office for an assigned number. In many instances, lot numbers are being utilized which do not necessarily coincide with the correct street number.

Respectfully submitted,
Howard Promer, Assessor

HAMPTON POLICE DEPARTMENT

Personnel: 20 Law Enforcement
5 Clerical
50 Part-time

ADMINISTRATION

A number of significant administrative changes occurred in the Hampton Police Department during 1977. A change in command, with the appointment of Chief Robert Picucci in April, was the first of the changes. In August a new Manual of Rules and Procedures was published for the guidance and direction of members of the Hampton Police Department. Additionally, the Department was re-organized into two divisions:

Commanding Officer of the Operation Division.

(2) Sergeant John J. Nickerson has been assigned as Commanding Officer of the Staff Services Division. (See attached chart) .

Since issuance of the Manual of Rules and Procedures, numerous General Orders were published for inclusion in the Manual.

During 1977, Patrolman James Moran resigned and Patrolman Gus Knowles and Patrolman Peter Smith were hired. Additionally, Patrolman William Wrenn was assigned to the Criminal Investigation Bureau. In addition, ten new Special Officers were hired to replace Special Officers who had resigned.

The year 1977 was a period of increased workload for the Hampton Police Department. As the statistical data comparison shows, there were significant increases in crime, calls for service, arrests, and the amount of property stolen.

OPERATIONS DIVISION

Patrol Bureau

1977 saw the addition of one marked patrol cruiser in Hampton. Additionally, the patrol cruisers were distinctively marked when the new cruisers were recieved from the vendor. Cruiser markings were changed from solid green, without distinctive markings, to white with two green strips along the side of the vehicle, with gold seals on the doors. Cruiser equipment was also upgraded by adding new emergency lights and sirens. Manpower to staff the third patrol cruiser was accomplished as a result of relieving uniformed officers from desk duties.

In September of 1977, the Patrol Bureau, changed from

fixed shifts for officers, to a rotating schedule to allow all officers the opportunity to work all shifts.

As the statistics point out, the Patrol Bureau, which responds initially to all citizen complaints, handled a 25% increase in workload.

During the summer of 1977, the Department participated in the Selective Traffic Enforcement Program. Similar to ASAP, this program provided an additional officer for patrol on Friday and Saturday nights to provide traffic enforcement, with emphasis on serious moving violations.

BUREAU OF CRIMINAL INVESTIGATION

The Bureau of Criminal Investigation, until March, 1977, had only one man assigned due to a previous resignation. In March, Patrolman William Wrenn was assigned to BCI. During 1977, the caseload in BCI increased in excess of 100%. The most significant increase was in the burglary caseload which rose 83%. Obviously, such increases in caseload will have an effect on the number of cases solved and the quantity of service to the public.

YOUTH SERVICES

The most significant accomplishment in Youth Services during 1977 was the establishment of a Law Enforcement Explorer Post under the guidance of Sergeant Joseph McDonald, Patrolman Arthur Wardle, and Special Officer Charles Pierson. This program allows young people the opportunity to have hands on experience in the field of Law Enforcement and to explore the career possibilities while providing a service to the community.

STAFF SERVICES DIVISION

The Staff Services Division is a unique Division as most employees assigned "wear two hats". Sergeant John Nickerson, for example, while assigned as Commanding Officer, also spends most of his time as the District Court Prosecutor. With the exception of the Communications Section and Facilities maintenance, all other functions within Staff Services are done on a part-time basis.

Significant improvements were made in the Communications Section during 1977. A new communications console was installed at Police Headquarters with funds provided by a grant from the Governor's Commission on Crime and Delinquency.

Additionally, four new portable radios were added in the same fashion.

In May of 1977, a presentation was made to the Board of Selectmen and the Budget Committee outlining some problems in the Department and the Community. Basically, the Department is overloaded with cases, and the resulting clerical work, and the Community is faced with a rising crime rate. An effort was made to deal with these problems by applying to CETA for funds to hire three Clerk-Dispatchers, who would relieve officers from desk duty, and provide clerical assistance. These funds were provided and the three Clerk-Dispatches were hired as of August, 1977. These officers relieved from desk duty then manned the third patrol cruiser.

Training was minimal during 1977. The new Special Officers received pre-employment training prior to being sworn in. Additionally, one officer attended the Basic Police Academy, two detectives attended an Arson Course, two officers attended the Breathalyzer Operator's Course, and one officer, a Fire-Arms Instructor's Course.

The Animal Control Section, although manned on a part time basis, handled 911 complaints. This section gave 161 warnings, issued 94 summonses, and picked up 133 dogs.

SUMMARY

As a new Chief of Police in the Town of Hampton, I would like to express my sincere thanks to Deputy Chief Robert Mark and Sergeant John Nickerson for their continued assistance during the first nine months. I must also say that the men and women of the Hampton Police Department are to be congratulated on their ability to adapt and be flexible during the change of command, and the resultant changes which are being instituted in the Department. I would also like to thank Chief Howard Stickney and Director George Hardardt and their men for the excellent cooperation they have given the Hampton Police Department. Finally, I would like to thank the Board of Selectmen for their support and understanding which is necessary during a period of change in any Department.

Respectfully submitted,
Robert P. Picucci
Chief of Police

FIRE LOSS

Year	Loss (Building & Contents)
1977	\$190,000 (Est.)
1976	103,062
1975	590,000

FIRE PREVENTION

During the year, three serious building fires were handled. Investigations into these incidents is continuing. In December alone, 28 man-hours were expended working on them. Investigations will continue in an effort to arrive at a satisfactory finish.

A Safety Contest was held in our schools this year. The theme of the contest was, "Reducing Fire Deaths and Injuries in My Home", and was limited to 4th and 5th grade students. Final judging, by the New Hampshire Fire Marshal's Office, selected Laurian Rafferty, a student at the Marston School, as the County winner.

Inspections	55
Fire Prevention Program in Schools	7
Wood Stove Inspections	21
Overtime Hours	57 1/2

FIRE ALARM

Three new master fire alarm boxes were added to the system during the year. They are:

755 John J. Quinn Insurance - 236 Drakeside Road
7136 Beach View Motor Inn - 101 Ocean Boulevard
718 Rocky Bend Condominiums - 504 Ocean Boulevard

To date, a total of 33 public buildings, schools, factories, office buildings, and apartment complexes are connected to the Hampton fire alarm system.

Due to budget constraints, routine maintenance of the fire alarm system was severely curtailed this year and only **projects** of an emergency nature and new box installations were completed.

Six system failures during the year required emergency replacement of 2,600' of wire and over 4 miles of wire had to be cleared of tree limbs by fire department personnel to lessen grounds on the circuits. Every effort was made to provide continuous service and maintain the fire alarm system as fail-safe as humanly possible.

All boxes in town, a total of 138, were tested twice during the year to insure proper operation.

AMBULANCE SERVICE

Each year ambulance activity increases over the previous year. The year of 1977 was no exception. During 1977, the Fire Department's two ambulances logged a total of 776 emergency calls. This reflects an increase of 103 calls over 1976. Ambulance calls in 1976 showed an increase of 14% over 1975. Calls in 1977 showed a 15% increase over 1976.

The emergency medical services within the Fire Department are not only extremely active during the summer months, but are also showing a marked increase in services provided during the winter months as well. This is due to an increase of people living at the beach in the winter, as well as more permanent residents in town.

Due to the constant increase in the number of calls and the complex nature of many calls, it is imperative that the

Department maintain adequate manpower who are properly trained to handle varied emergencies which arise.

Not only have the ambulance calls increased, but the walk-in medicals at Headquarters showed a sizeable increase from 206 in 1976 to 333 in 1977.

Calls for 1977 are summarized as follows:

In Town Calls	721
Out of Town Calls	39
Calls to I-95	<u>16</u>
Total	<u>776</u>

Highway Accident	172
Residential	332
Other	<u>272</u>
Total	<u>776</u>

Exeter Hospital	521
Portsmouth Hospital	5
Pease AFB Hospital	7
Anna Jaques Hospital	20
Other Hospitals (Amesbury)	1
No Transport	222
Walk-ins at Headquarters	333

TRAINING

The Taining Division of the Hampton Fire Department, under direction of Deputy Chief Donald R. Matheson, Lieutenant Anthony Chouinard and Call Captain Bernerd Robinson managed, under uncertain conditions, to conduct a significant amount of fire training. Due to the resignations of Chief Robert Fitz and Captain William Sullivan, 1977 was a year of change and adjustment for personnel of the Hampton Fire Department.

Daily training of permanent firefighters encompasses all phases of Fire Suppression, Fire Prevention and Emergency Medical Training. Fire Suppression and Prevention accounted for over 2100 manhours of in-service training of the following subjects:

On the Job Safety	Firefighting Strategy
Driver Training	Fire Extinguishers

Pump Operation	Dispatching
Aerial Ladder Operation	Familiarization with Streets
Hose Handling	Ventilation
Ground Ladders	Forcible Entry
Sprinkler Systems	Salvage & Overhaul
Emergency Medical Training	Hand Tools
Rope & Knots	Power Saws
Pre-planning	Breathing Apparatus
Fire Alarm Systems	Auto Extrication

There are also four permanent members enrolled in the Fire Science Program at the University of New Hampshire in Durham. An Associate Degree is awarded upon completion of the course. This course of study is at the individual's own time and expense.

Emergency Medical Training is required to maintain the Department's ambulance license issued by the State Division of Public Health. Medical training accounted for over 684 manhours of training in the following courses:

E.M.T. Refresher (24 hours) - 5 Members
 Advanced First Aid (56 hours) - 2 Members
 Advanced First Aid Refresher (20 hours) - 10 Members
 Cardio-Pulmonary Resuscitation (9 hours) - 28 Members

The Call Department under the direction of the Assistant Training Officer, Captain Bernerd Robinson, logged over 636 manhours of fire training. Regular call training was responsible for 480 manhours in 1977. In September four new call firefighters were hired and successfully completed a Basic Training Course presented by the Assistant Training Officer. The Basic Training Course accounted for 156 manhours in 1977.

During the month of September several members of the permanent department attended a two day seminar on Personnel Management in Keene, sponsored by the New Hampshire Fire Chief's Association. The Hampton Fire Department also supplied several instructors in various courses offered at this weekend seminar.

Also, in September the Martel building on Academy Avenue was given to the fire department for live fire training purposes. Permanent and Call members recieved actual fire experience in the training exercises conducted at this location.

During the months of September and November members of the department participated in the review and upgrading of all pre-fire plans. Strong emphasis was placed on the beach area by in-service inspection teams.

To effectively carry out its primary responsibility of Fire Prevention and Suppression, a fire department must continually train its members to maintain a high degree of readiness. The members of the Hampton Fire Department have reached a reliable level of proficiency and it is the intent of the Training Division to maintain this level through In-Service Training.

The Hampton Fire Department has seen an increase of approximately 18% in emergency services during 1977.

During the year, the department has appointed a new Fire Chief, Deputy Fire Chief, Lieutenant Firefighter/Mechanic, 2 Firefighters, and 4 Call men. These positions were all due to resignations and all positions were filled through a competitive examination process.

It was a great personal pleasure for me this year to have the opportunity to witness the constructing of the first new Fire Station to be built for the Town of Hampton. The new station is progressing on schedule and should be completed during the early part of 1978.

I would like to take this opportunity to extend my thanks and appreciation to the members of the department for the duties performed by them in the highest professional manner.

On behalf of the Department, I also wish to express our gratitude to the Department of Public Works, the Hampton Police Department, and to all area Departments who have given us the cooperation that we needed during the year. It is only with this cooperation that we can give the level of fire protection that is required to save lives and properties.

Respectfully submitted,
Howard W. Stickney
Chief of Department

PUBLIC WORKS DEPARTMENT

Appropriation:	\$1,012,356.00	Personnel: Regular	38
Expenditure:	\$ 967,732.00	Part-time	24
Balance:	\$ 64,624.00	Total Personnel	62

Early 1977 saw the completion of our new wastewater treatment plant. The plant is operating as expected with some minor problems. Also, in 1977 we renewed our seal coating program, that is tarring and sealing roads. This was done for economic reasons, we have found that we could not permanently pave enough roads each year to keep up with the deterioration, so as a temporary expedient we reinstated seal coating.

WASTEWATER TREATMENT PLANT

In 1977 we processed 581,769,000 gallons of wastewater, of which 588.3 tons were solid waste (sludge). Our average daily flow was 1,594,000 gallons. Included in the overall flow is 4,768,920 gallons of septic tank system wastewater and sludge.

SEWERS AND DRAINS

1977 saw 90% completion of phase II of our Boar's Head Sewer Project. We would have completed it in 1977 except for severe weather conditions.

There were 63 sewer entrances into our sanitary sewer system. In addition, 331 sewer and/or laterals were located for contractors, water, gas, and/or telephone companies. We also installed 15 new laterals and relaid 25 others.

In 1977 we cleaned and flushed 55,244' of sewer mains and drains. There were three new manholes built, 27 raised and/or repaired. Four new catch basins were installed, 19 repaired and 478 cleaned.

Phase II of the Lafayette Road drain was completed, we laid 306' of 12" aluminum pipe and constructed two catch basins. A new culvert was installed on Exeter Road and one on Landing Road.

SOLID WASTE DISPOSAL

Solid waste disposal (rubbish collection) for the first time in 10 years has decreased. Below is a 10 year comparison of compacted cubic yards of rubbish collected.

1968	33,124	1973	47,428
1969	35,246	1974	49,716
1970	37,180	1975	51,760
1971	42,171	1976	52,418
1972	45,854	1977	50,692

If I were to be asked as to what I attribute the decrease, the answer would be that more and more people, particularly apartment houses and some businesses are now using private dumpster service to pick up their rubbish.

Our town dump is continuing to be operated in an excellent and economical manner. Our dump attendants are working out very well and only Hampton residents are now using our dump. This year we expended \$24,128.00 for gravel, dump attendants, stickers, and normal maintenance of the dump building.

I must say here that in the not too distant future I see either the State and/or Federal governments putting severe controls on dumps. Naturally with these controls come increases in expenditures.

HIGHWAY MAINTENANCE AND CONSTRUCTION

Our road resurfacing program is a continuing one; during 1977 we resurfaced 10,955 lineal feet of road, along with this we sealcoated 38,204 square yards of road.

PLANT MIX

Concord Avenue	Mohawk Street
Brown Avenue	Pawnee Street
Woodland Road	Milburn Avenue
Dacotah Street	Bradstreet Road

SEALCOATED

Timber Swamp Road	Elaine Street
Mary Batchelder Road	Wentworth Avenue
Surfside Park (complete)	Colby Street
Richard Street	

Again, as always, street signs and traffic control signals have been a huge problem. During 1977 we installed and/or reinstalled 525 signs of all types, largely due to malicious vandalism.

During the year there were 16 septic tanks installed in town, requiring 66 inspections. Also, there were 31 driveway permits issued requiring 62 inspections. Public Works Department records show that we recieved 70 inches of snow during 1977 requiring plowing and removal. Along with this, there were numerous freezing rain storms and icing conditions requiring sanding and salting.

Remembering that the above are just highlights, your Public Works Department will continue to look for more economical ways of doing things but can only in the long run do what we can with the men and money made available to us.

Respectfully submitted,
George F. Hardardt
Director, Public Works

ARTICLE 19

On petition of James F. Fallon and 29 other legal voters of the Town of Hampton:

To see if the Town will vote to amend the zoning ordinance in the following manner:

**ARTICLE VIII—A YEAR—ROUND
OCCUPANCY IN THE BUSINESS—
SEASONAL ZONE**

In the Business-Seasonal District no lot shall be used for a number of dwelling units for year-round occupancy greater than one per lot or such larger number of units on any particular lot as shall have been used for such year-round occupancy during the calendar year ending January 12, 1977.

For purposes of this section, units for year-round occupancy shall be defined as in Article XII of the Hampton Zoning Ordinance.

For purposes of this section, lot shall be deemed to mean lots of record, whether by deed, lease or sub-lease of land, as of January 12, 1977.

(Not recommended by the Hampton Planning Board)

656 YES 1516 NO

Attest: Jane Kelley
Town Clerk

**1977 ANNUAL TOWN MEETING
HAMPTON, NEW HAMPSHIRE
MARCH 12, 1977**

The adjourned session of the March 8, 1977 Annual Town Meeting for the Town of Hampton, New Hampshire was called to order at 10:00 a.m. by Moderator H. Alfred Casassa.

Mr. Casassa : I would like to welcome all of you citizens to the Town of Hampton 1977 Annual business meeting. As you know, this is the second stage of the meeting which started last Tuesday with the election of officers. The first thing I would like to do this morning is to ask George Hardardt to lead this assembly in the Pledge of Allegiance. Next, I would like to call on Reverend James Barclay of the Hampton Congregational Church to lead us in prayer.

Our agenda of business today starts with Article 2 of the 1977 Town Warrant, Article 1 having been disposed of on March 8.

Article 2 — To see if the Town will vote to raise \$500,000 to be added to a gift of \$25,000 made by Wheaton Lane, to build and equip an addition to the Lane Memorial Library. Moved by William Barkley and seconded by Dorothy Little. Voted: 104 in favor, 260 opposed. Article 2 failed.

Article 3 — Vote to raise \$18,930 to fund cost items relating to Police Officers' salaries and benefits for 1977, moved by James Fallon, seconded by Paul Nersesian. Moved by Richard Bateman, seconded by Jane Smith to raise money figure to \$27,570. Discussion. Richard Stebbins moved the question. Amendment failed. Article 3 voted as originally printed by yes/no ballot. 276 in favor, 66 opposed. Article 3 passed.

Article 4 — Vote to raise \$16,782 to fund cost items relating to Firefighters' salaries and benefits for 1977. Moved by James Fallon, seconded by Paul Nersesian. Article 4 voted on a yes/no ballot. 284 in favor, 56 opposed. Article 4 passed.

Article 5 — Vote to accept the budget as submitted by the Municipal Budget Committee to raise the sum of \$2,997,018. Moved by Robert Lemire, seconded by Glyn Eastman. Discussion. Amendment offered by Frank Fitzgerald, seconded by James Fallon to increase the budget by \$32,000 to \$3,029,018. \$1,300 for Fire Department

telephone, \$6,348 overtime for the Police Department, and \$24,352 overtime for the Fire Department. Fitzgerald amendment to add \$32,000 to the budget passed.

Edward Dunham moved and Cal Wiser seconded to amend the budget to \$3,029,218 adding \$200 to be used in repairing municipal tennis courts at Tuck Field. Dunham amendment failed.

Philip Darling offered an amendment, seconded by Mary-Louise Woolsey, to add \$5,256.40 to the budget to the K-9 account. The Darling amendment failed.

Carl Margeson moved, seconded by Diana LaMontagne, to reduce the budget by cutting the Town Manager's salary by \$500. Discussion. Voted by a yes/no ballot. 193 in favor, 128 opposed. Amendment passed.

Wilfred Cunningham moved to amend the budget, seconded by Howard Page, to add \$7,800 to the Advertising and Associations account. Discussion. Amendment failed.

Edward Dunham moved the question on Article 5, seconded by Paul Nersesian. Motion failed.

Suzanne Ficke moved, seconded by Robert Ficke, to cut the sewage construction account by \$68,00. Discussion. Motion amended by Suzanne Ficke to cut the account by \$79,000. Discussion. Motion failed.

Mr. George Doyle moved, seconded by Frank Fitzgerald, to add \$88,000 to the operating budget for doing a complete re-evaluation of the property in the Town of Hampton. Amendment failed.

Louisa Woodman moved the question on Article 5 that the budget for the Town of Hampton be approved at the figure of \$3,028,518. Article 5 passed as amended.

Article 6 — Vote \$223,000 for a new uptown fire station to be built on the Mason property. Moved by Howard Page, seconded by Howard Page III to indefinitely postpone this article. Question moved by George Hardardt, seconded by Robert Lessard. Page motion failed.

Robert Lessard moved, seconded by Robert Bridle, that Article 6 be approved as submitted. Discussion. Moved to amend the motion by reducing the appropriation from \$223,000 to \$23,000 by Ashton Norton, seconded by Norman Royal. Discussion. Amendment failed. Calman Wiser moved the question, seconded by George Hardardt. Article 6 passed as printed.

Article 7 — Vote to appropriate and withdraw from the revenue sharing fund \$134,000 for the Police, \$145,000 for Fire and \$134,000 for Public Works for use as set-offs against budget appropriations. Moved by Glyn Eastman, seconded by Louisa Woodman. Article passed.

Article 8 — Vote to appropriate \$10,000 for the Hampton Fire Department and transfer the amount to the Precinct Fire Department to defray its operating expense. Moved by Allen Bridle, seconded by Norman Royal. Article 8 passed.

Article 9 — Vote to appropriate \$2,000 for the Hampton Beach Chamber of Commerce to help pay for 150,000 color brochures. Moved by Wilfred Cunningham, seconded by Robert Lessard. Discussion. Voted 92 in favor, 124 opposed. Motion failed.

Article 10 — Vote to raise \$5,000 to add to the \$3,000 raised by the Friends of the Library to pay an architect to design an addition to the Lane Memorial Library. Moved by Jean Ashfield, seconded by Cal Wiser. Discussion. Article 10 passed.

Article 11 — To reimburse Child and Family Services for services rendered 35 Hampton families during 1976. Moved by Dorothy Little, seconded by Frances Irving. Discussion. Article 11 passed as printed.

Article 12 - Vote to give the Selectmen and Treasurer power to borrow not more than \$2,500,000 in anticipation of taxes. Moved by Peter Randall, seconded by James Fallon. Article 12 passed.

Article 13 — Vote to have the Town contract for, or accept, grants of Federal or State aid, or both for the construction of the library addition. Moved by Dorothy Ingram, seconded by Dorothy Little. Article 13 passed.

Article 14 — Vote to adopt the flag with the town seal as the official town flag. Moved by Arthur Moddy, seconded by George Hardardt. Article 14 passed.

Article 15 — Vote to require department heads, permanent or full-time employees to live within the Town of Hampton. Moved by Robert McNeil, seconded by Suzanne Ficke. Yes/no ballot was taken. 61 in favor, 115 opposed. Article 15 failed.

Article 16 — To see if the Town will vote on the question, "Are you in favor of the building of the nuclear power plant in the seacoast area?" Moved by Robert

McNeil, seconded by Philip McDonough. A yes/no ballot was taken. 62 in favor, 155 opposed. Article 16 failed.

Article 17 — Vote to establish an official "Town Historical Commission" consisting of three residents, to organize traditional institutions, preserve ancient town records, update the town history, perform research on historical matters, and erect historical markers. Moved by Arthur Moody, seconded by Suzanne Ficke. Discussion. Amendment offered by Arthur Moody, seconded by James Hunt to change the method of appointing members to serve on the commission. Amendment failed. Robert Bridle moved the question, seconded by Noah Tremblay. A yes/no ballot was taken. 23 in favor, 98 opposed. Article 17 failed.

Article 18 — To see if the town will vote to sell a certain tract of land to the State of New Hampshire for \$1,700. Moved by Clifford Eastman, seconded by George Hardardt. Article 18 passed.

Article 19 — Voted and disposed of Tuesday, March 8, 1977.

Article 20 — To vote to authorize the Selectmen to convey to the Precinct a tract of land described in the Rockingham County Registry of Deeds Books 1023, page 96. Moved by Robert Lessard, seconded by Allen Bridle. Louisa Woodman offered an amendment to the description to read "north" rather than "east" of Brown Avenue. Seconded by Allen Bridle. Amendment passed. Article 20 passed as amended.

Article 21 — Vote to authorize presentation of Bicentennial medals to the State of New Hampshire and local historical societies. Moved by Louisa Woodman, seconded by Lewis Brown. Roland Paige offered an amendment to the motion to remove the words, "and to the local historical societies". Seconded by Paul Nersesian. Amendment passed. Article 21 passed as amended.

Article 22 — Vote to give the Selectmen power to accept, administer, or sell any real estate acquired through tax deeds, with the exception of tidal and freshwater marsh to be kept by the town under the jurisdiction of the Conservation Commission. Moved by James Fallon, seconded by Lewis Brown. Article 22 passed as written.

Article 23 — To transact any other business that may legally come before this meeting.

Robert Lessard presented a plaque to James Fallon on the occasion of his retirement from the Board of Selectmen.

Moderator Casassa expressed sorrow in behalf of the town of Hampton for the loss of former Selectman Noel Salomon and former Precinct Commissioner Edmond Loughlin. In noting the passing of these two men, the Moderator praised their ability and unselfish dedication to the town.

Louisa Woodman introduced a resolution to thank the Bicentennial Committee for its efforts on the town's behalf. She read a scroll and instructed the town to prepare copies for members of the Committee. She moved the resolution and it was seconded by James Fallon. The resolution passed unanimously.

Allen Bridle moved to thank Robert Mark publicly for his many hours of service as acting Police Chief. The motion was seconded by Robert Lessard and passed unanimously.

The March 12, 1977 Annual Town Meeting adjourned at 6:20 p.m.

Town Clerk
Jane Kelley

HAMPTON MOSQUITO CONTROL DISTRICT REPORT

At the 1977 Town Meeting a \$13,660 appropriation was voted by the citizens. It was expended as follows through December 31, 1977:

	1977 Appropriation	1977 Expenditures	1978 Request
Labor	\$6,900.00	\$7,718.33	\$8,514.00
Chemical control			
Materials and	5,815.00	3,541.91	4,3151.75
Aerial Spraying			1.800.00
Vehicular Maintenance.			
Fuel, and Repairs	500.00	350.70	500.00
Misc. Supplies, Medical			
Exams and Commission			
Expenses	320.00	818.13	460.50
ULV Leco Sprayer			
Maintenance	125.00	00.00	167.00
	<u>\$13,660.00</u>	<u>\$12,429.07</u>	<u>\$15,757.25</u>

The Commissioners held nine meetings at the Library, and others with neighboring commissions on mutual concerns.

EMPLOYEES were hired as follows: part-time Supervisor James Katkin, part-time Assistant Wilfred Burr, Summer Laborers: Charles Dutton and Lee Brooks. Roland fowler, a CETA employee from the County Mosquito Project, supplemented their efforts. The County project also did light trapping and species identification for Hampton. Appreciation is publicly expressed to the County Commissioners for this help.

In return Hampton provided a storage/work area for specimen manipulation and rearing, light trap storage, inservice training on insecticide application techniques for Mr. Fowler, and also authorized CETA employees to accompany Hampton workers in pre and post spray breeding site surveys of tidal marsh and inland waters subject to larvicide applications.

On August 8, 1977 Wilfred Burr became the Supervisor when J. Katkin took another position. Mr. Burr later trained Lauren Chase Rowell, an UNH Entomology major, to become Supervisor in 1978. Burr is going to do graduate

work in entomology out of state. Mr. Katkin established the scientific basis of the program for the District while Mr. Burr and the other employees activated the control phases.

GOALS FOR 1977 WERE: to conduct a comprehensive mosquito control program with source reduction, larviciding, adulticiding, light trapping, collection and identification of mosquito specimens, larval population surveillance, and storm drain treatment.

SOURCE REDUCTION: is required by state law. The Commissioners met with Town Selectmen and our State Representatives and State Senator to request legislative help to get approval to clean existent, stagnant water ditches with hand tools. Maps and other information were provided the Special Board of the Water Resources Board. No reply was made. So legislative help is still needed in 1978 so that source reduction work, the most permanent method of control, can be done by Hampton and other Mosquito Control Districts.

LARVICIDING AND STORM DRAIN TREATMENT: The District supervisor filed a Pesticides Use Report with the N.H. Pesticides Control Board. Materials used were: Abate 4-E, and emulsifiable concentrate mixed with water. It was applied to stagnant water, fresh and salt, at the permitted application rate of one ounce to an acre.

Application was done with a five gallon, back pack sprayer. It was pumped by a certified applicator. About 1,819 gallons of the formulation were applied by permission of the N.H. Pesticides Control Board. The material was also used once a month during the summer in the storm drains throughout the town. Mortality ranged from 75 to 95%.

ABATE 2-G, a 2% granule, was used for the first time. Two hundred and eighty-eight pounds were dispersed with a seeder spreader. This was done on the salt marches only after a high run of tide in the worst breeding areas. Residual action was about four weeks with excellent results (nearly 100% mortality in areas where applied). The material is much more expensive than Abate 4-E, but is very effective in grassy areas with small, stagnant water pools.

AERIAL LARVICIDING: in cooperation with the other seacoast Mosquito Control Districts was tried on July 6, 1977. A contract was signed with Maine Helicopter, Inc. of Augusta, Maine. Abate 4—E was applied. Check plots in

seven marshes in town were evaluated for numbers of mosquito larvae before and after the helicopter treatment.

The average mortality was 53%, a relatively poor result by this method of application in view of the cost (\$585.00) for one treatment. Only half of the formulation expected to be used was expended at the permitted rate. Whatever the cause of the low mortality in 1977, helicopter spraying could be an asset to a Mosquito Control District. An 80% mortality by this method is conceivable. Otherwise hand larviciding is preferable, and Hampton returned to this method for the rest of the summer of 1977.

ADULTICIDING: was done with a Leco-ULV (ultra low volume) cold aerosol, fogger equipment. It was mounted on the back of a town truck supplied by Hampton Public Works. Cythion-95 (malathion) was used as the adulticiding material at a dosage rate of 3.0 to 4.3 ounces per minute. When mosquito population is dense, the higher figure is used. Some 45,655 square acres were treated in 1977.

Density of mosquitoes was determined by complaints from people and light trap monitoring. The truck with a certified, pesticide applicator-driver traveled at 10 miles per hour over the roads of the town. So the whole town was done once a week weather conditions permitting between mid-April and September 21, 1977. This was a month more of mosquito control than in 1976 season. Seventeen applications were made compared with 12½ in 1976. It takes two nights to adulticide the town.

LIGHT TRAPPING AND SPECIES IDENTIFICATION: The Hampton District light traps were supplemented by three of the County Mosquito Project. There are 45 species of mosquitoes in New Hampshire, and 37 in the county. The Interim Report of the County Mosquito Project has identified to date 769 adult mosquitoes for Hampton District and 714 larval samples at their laboratory in Brentwood. They found 23 different species in Hampton 1977. Annual surveillance is needed to determine the efficiency of the control program.

Since a majority of Hampton's mosquitoes are *Aedes sollicitans* and come from the salt marshes, these areas comprise about 90% of the mosquito control efforts.

ADULTICIDING ROAD MAPPING: A large map was marked to aid the operator of the ULV fogging equipment. Culvert locations and storm drains were identified on other maps.

SUMMARY: 1977 was a dry, hot summer. More larviciding, pupiciding, and adulticiding work will be needed in a normal or a rainy, humid summer to cope with the stages in the life cycle of mosquitoes. Source reduction should be done when legislative conflicts in mandated responsibilities are solved by the General Court.

Necessary state reports were filed by the District Supervisor and by the Commission. An inventory of tools and equipment was maintained plus necessary office records at the Town Office. A telephone connection was shared.

Basically the mosquito control program will remain the same in 1978 as in past years after funding. Altosid briquets for storm drains and Flit-MLO for treating pools of pupae are proposed. Abate 4-E and 2-G will be the prime larviciding materials and Cythion-95, the adulticiding material for use in the ULV equipment.

More towns in the county have begun mosquito control efforts after completing their scientific breeding site surveys. With support of control efforts by the majority or all of the 37 towns in the county, residents and tourists should continue to enjoy the seacoast environment even more.

ACKNOWLEDGMENTS: The Commissioners and the District employees appreciate the Town Hall Office basement location for convenience, the use of a Public Works truck, and the winter storage of the ULV fogging equipment at the Town Garage. The support of other public officials, the citizens and resort operators interested in mosquito control, and the press is encouraging. The 1977 District employees deserve public commendation for their individual efforts in reducing the mosquito numbers during the summer of 1977 in Hampton.

Ruth Bragg
Ruth G. Stimson

Hampton Mosquito Control Commission

TRUSTEES OF THE TRUST FUNDS

The elected Trustees' duties revolve around investing the principal amounts of the Town's trusts in safe investments while maximizing the annual return for the benefit of the libraries, cemeteries, and the poor. The Trustees must carry out their fiduciary responsibilities to the best of their abilities, and in conformance with State statutes and the terms of the individual trust instruments.

In 1977, the Trustees continued their 1976 project of increasing income to beneficiaries. The 50-year, 4 1/2% Southern Pacific bonds matured and the proceeds were reinvested with an annual yield of 8.17%. This brings the average yield of the Town's total portfolio to nearly 7.5%. The remaining low-interest investment, a 20-year, 4 1/2% bond of the C.I.T. Financial Corporation, will mature in two years, at which time a better return can be expected via reinvestment.

No new trusts have been received by the Trustees since 1966. The Poor Fund's income is spent, for the most part, in the co-sponsorship of the Thanksgiving and Christmas food-basket program benefiting needy Hampton residents. Again in 1977, the Trustees' agent in working with the Kiwanis Club of the Hamptons (represented by its Past President Glyn Eastman) and the Salvation Army (represented by Tax Collector Lewis Brown) was Selectwoman Helen Hayden. Our thanks are extended to her as she leaves the Board of Selectmen. The Town's share of the food-basket costs for 1977 increased nearly \$100.00 over that spent for the 1976 baskets. The use of \$100.00 to the Jaycees of the Hamptons' "Santa Fund" for needy Hampton families at Christmastime 1977 was 80% of the Trustees's 1976 contribution.

In a change of procedure pursuant to a majority vote of the Trustees', the annual income for library and cemetery purposes was paid over to Town Treasurer Wilson Dennett for transfer to the respective spending authorities.

Once again, the Trustees' thank the Hampton Co-operative Bank and the Hampton National Bank for their

assistance in helping to limit the Trustees' annual expenses to the cost of the three surety bonds.

Michael C. McCarthy, Clerk

LANE MEMORIAL LIBRARY REPORT

Services available through the Public Library have changed drastically in the past ten years. No longer is the emphasis on the circulation of books and magazines. Today the Lane Memorial Library offers a variety of services. There are special programs for children including regular story hours for 4-5 year olds every Wednesday at 10:00 a.m.-10:45 a.m. and again at 1:00-1:45 p.m. from October through mid-August. In the summer we have regular film programs and a reading group for youth. Throughout the year we provide programs for children's organizations and the schools. We have pamphlets, magazines, books, records and cassettes for circulation to all ages. The Friends of the Lane Library have donated original art works, and we have purchased an extensive collection of art prints for loan to the public. Reference service is provided, and we have acquired a substantial collection of New Hampshire genealogy and other materials. We subscribe to four daily newspapers and several weeklies. Unfortunately we are unable to keep back issues because of lack of storage space. Staff members provide programs for community organizations, and films and filmstrips are available for program material. Interlibrary loan of special items and the use of the statewide library card increase our service potential. We provide talking books and the equipment to enjoy these for the sighted and physically handicapped. Delivery of books to shut-ins is also available. Our circulation for 1977 indicates approximately 96,000 items loaned to patrons.

Our exciting new service made available in 1977 is the purchase of the Hampton Union since 1901 on microfilm. The Friends of the Library gave us a microfilm reader, so that we are now able to use this valuable reference tool.

We have an active Volunteer Program under the supervision of our assistant librarian. We are always interested in recruiting new volunteers for all phases of work in the library.

We have been fortunate to have received many donations of usable books this year in addition to several monetary gifts for specific purchases from organizations and our continuing Memorial Gifts Program.

Our budget for 1978 includes staffing for an additional evening after Town Meeting. If the budget is passed we would be open:

Monday, Tuesday, Wednesday - 10:00 a.m.-8:00 p.m.

Thursday, Friday, Saturday - 10:00 a.m.-5:00 p.m.

It is our aim to upgrade the services of the library whenever possible. It is our hope that the people will give us the financial support necessary to continue and expand these services.

Mrs. Charlotte M. Hutton, Librarian
Mrs. Audrey C. Ross Assistant Librarian, Children's
Librarian

Mrs. Joan Kahl, Library Assistant
Mrs. Ruth Ross, Library Assistant
Mrs. Jean Ewing, Library Assistant
Miss Ruth Chilton, Clerical Assistant
Miss Kathy Dunbrack, Page

RECREATION DEPARTMENT

Volunteers are the backbone of any social service agency and we are fortunate in Hampton to have citizens that volunteer their services for the many programs which we provide.

Not enough can be said about the people who volunteer their services for the "Hampton Youth Association". Without their efforts, such youth programs as Pee Wee Football, Basketball, Little League, Ice Hockey, Softball and Pony League Baseball could not be a reality. Many hours are given freely by these volunteers each week to provide wholesome recreation programs to the youth of our community.

I hope that in the future their support continues and that more people will become involved so that we may continue to provide and expand the many youth programs for our community.

1977 was a very active year for the Recreation Department, as we continue to provide the many leisure and recreation programs for all age groups.

Almost every program has had an increase in the number of participants than in 1976. More and more citizens youth, adults and senior citizens are becoming involved! December 1977, the Senior Citizens Club has over 300 members. The seniors meet on the second Thursday of each month at the United Methodist Church on Lafayette Road. During each month the seniors have various activities such as arts and crafts, bus trips, bowling league...

The National Junior Tennis League was a new summer program, which was very successful. The program was co-sponsored by the Recreation Department, the Coca-Cola Bottling Company and the Addis Shoe Company. 80 boys and girls between the ages of 8 and 14 years old were given free tennis lessons and had informal tennis matches with other towns in the seacoast area. We hope to add 80 more children to the National Tennis League next summer, if funds permit.

Tennis Lessons continue to be one of our most popular programs during the spring and summer months. Over 350 children and adults participated in the 1977 program.

The Elks National Free Throw Contest, which was held during October and November, was again a popular program. 786 boys and girls between the ages of 8 and 13 years old took part in the contest. For the second year

Hampton has had the largest number of participants in the seacoast area!

With the present awareness of personal health and physical fitness, many of our adult sports and fitness programs are at full capacity.

For example, 250 women participated in the Bonnie Prudden Physical Fitness classes during the year. Our men's slow pitch softball league has 130 men participate this summer.

Our special events continue to be popular with young and old alike. The Pepsi-Cola Carillon Concert, which we co-sponsored with Winnacunnet High School this fall was enjoyed by all ages. Over 350 children and adults attended the concert.

The annual Halloween program and Easter Egg Hunt continue to be popular with the children. Between the two events over 1,100 children participated!

In this report I have covered the major highlights of this Department for 1977. This is by no means a report covering all of the programs and services which this department offered during 1977.

In closing, I would like to thank the various civic organizations, school departments and town departments for their help and support during the year.

Respectfully submitted,
Neal R. Socha
Recreation Director

ANNUAL REPORT OF THE HAMPTON CONSERVATION COMMISSION 1977

The Commission has continued to meet once each month this past year, and held special meetings when it was necessary.

Several applications for dredge and fill were recieved, the sites were visited, and all phases of the area were discussed, before a decision to recommend or oppose the application was reached.

Members have attended public meetings in Concord, at their own expense, as well as meetings in surrounding communities, where the subject matter has been pertinent to conservation. Neil MacPherson attended the annual meeting of the New Hampshire Association of Conservation Commissions, held at U.N.H. and made a comprehensive report of the work being done by the 190 legally established conservation commissions in this state. Two public informational meetings have been held, following applications for a permit to dredge and fill, in order to give all those interested an opportunity to speak on the subject. This commission works closely with Mr. George McGee, of the Special Board Water Resources in Concord.

Our Chairman, Nelson Grant, suggested that we start an indexing program, which would entail several month's work. Mr. Taylor, Secretary of the State Association, sent print out sheets helpful in showing areas within Hampton deemed to be ecologically unique and worthy of protection. We will continue working on this project in the months ahead. Included in the areas to be studied will be Eel Ditch, Mill Pond, Fresh Meadow Pond, and a well-defined coast line, to insure protection and proper utilization of our community's natural resources and water-shed resources. Our Commission agrees that development should be compatible with the quality of life that is indigenous to the area.

Our Commission has been given two voluntary gifts of marshlands and wetlands deeded to the Town for non-payment of taxes, carrying out the voters' wish designated at the 1974 Town meeting. We have also been given a Conservation Easement of two acres of open land located on Meadow Pond Farm, donated by Peter Olney. Our final

gift this year is three acres of marshland from the estate of Augustus W. Gookin, given by his daughter, Gertrude Sherburne, and her brother, the late Fred L. Blake.

We were sorry to lose Alide Lavalée as a member of our commission, because of his heavy work schedule. William Barkley was appointed in his place, and we are looking forward to working with him.

This Commission is grateful to Ednapearl Parr for her liaison work between our group and Mr. McGee's office of the Special Board Water Resources. She has kept us posted on legislation concerning environmental problems, both current and pending. She has also sponsored several important environmental bills, which have been passed in both House and Senate.

HAMPTON HISTORIANS, INC.

Hampton Historians, Inc. was incorporated in 1974 "to promote the historical heritage of the Town of Hampton, New Hampshire, through educational campaigns in the public press, lectures, programs, etc., in order to honor our patriotic forefathers and enhance civic pride". As a young society, with no long years of organization or accumulated hard work of past members on which to base our reputation, Hampton Historians, Inc. had nothing to begin with except enthusiasm and a desire to enrich present and future generations with the knowledge of the long history of this "Old Town by the Sea". Our motto might well be: "What is not preserved is lost".

Researching and writing about that history has been the non-profit society's main work up to the present. We assisted the Town's Bicentennial Committee in publishing articles on "Hampton in the Revolution" and in covering the 1975 Founders' Day commemoration for the local weekly newspaper. That ceremony included the dedication of the Town's Bicentennial Time Capsule (1975-2076), "Historic Landing Road" marker and the wreath-laying for Founders' Boulder (the first in recent memory). Other articles and photos of an earlier Hampton and her people have also been published in the press. Additionally, Hampton Historians, Inc. has brought the public's attention to positive heritage-related actions of the Selectmen and School Board.

Many genealogical inquiries, some generated by the early 1977 television presentation, "Roots", received by Town Clerk Jane Kelley have been researched and the data turned over to the Town Clerk for reply. Yes, a great many Americans must turn to our town records for information concerning their own "roots".

We are also assisting in a project to identify and publish circa 1905 area photos from a large number of newly discovered glass-plate negatives.

Four of our members and officers accepted an invitation from the Exeter Historical Society to attend the first program in their 50th anniversary year. The slide presentation on the book "Drowned Valley: A Visual History of the Piscataqua" by the University of New Hampshire's John Adams, took place on October 4 in the old Exeter Town Hall.

Members continue to be active on a number of State commissions related to historical matters, past and future, and in the Association of Historical Societies of New Hampshire, Inc., of which Hampton Historians, Inc. is an active member. Hampton Historians, Inc. looks forward to the formation of a local Municipal Records Committee as mandated by the 1977 General Court. Such a committee, it is hoped, will assure the preservation of pertinent town records for future primary-source research activity.

Hampton Historians, Inc. thanks all who have donated or loaned meaningful items to its archives. Several individual items of historic import, early records of major Beach businesses, a color photographic record of the General Moulton House's interior and furnishings (1969), early Hampton telephone directories (always a high-importance source of information on people and firms), State Bicentennial Commission publications (received as a member of the Association of Historical Societies), are among the sources for Hampton Historians, Inc. research.

A public membership drive was initiated in the fall and several persons responded to share our objectives. Our address in P.O. Box One, Hampton.

The following have acted as officers since incorporation:

Arthur J. Moody, Moderator
Ednapearl F. Parr, Clerk
James F. Fallon, Bursar

HAMPTON HISTORICAL SOCIETY TOWN REPORT

When I inquired at the Town Offices for details concerning the filing of this report, I was struck by the lack of awareness of who the Meeting House Green Memorial and Historical Association, Inc. was and where it could be located. I was further to discover that many who knew of us, and where we were, had never taken a few moments to see what we were all about. It is to this end, I feel we should devote our report and perform the service to which we are dedicated.

We certainly have a long name, but then most refer to us by the more common Hampton Historical Association. When it comes to history, we have literally a house full of it, as the popular photograph by Louis Dubois illustrates. Our address is 40 Park Avenue, and we have a fine structure to house the many gifts the museum we own has recieved over the years.

Buildings, of course, do not build themselves, and societies do not organize on their own. We owe our depth of gratitude to Reverend Ira S. Jones, who, although not a native born resident of Hampton, had come to love our Town and its rich history. Reverend Jones wished to honor the early settlers by a living memorial: a building to house the historical artifacts of the Town and its people, a park to commemorate the early families and towns, and an athletic field with a playground for the children.

Such grand plans required extensive funding. In 1925, Reverend Jones interested Mr. Edward Tuck in the project. Mr. Tuck contributed funds to acquire the Fogg property on Park Avenue. Landscaping, renovation of the building, and subsequent acquisition of the land for the athletic field, completed the goals set by Reverend Jones. Although Reverend Jones passed on before completion of the project, Mrs. Jones carried on, and the final phase was dedicated on June 4, 1930. In honor of Mr. Tuck's generosity, the museum and field were named for him.

To carry on the work of Reverend and Mrs. Jones, the Association was formed with membership open to all who wished to apply. There is a modest annual membership fee of \$2.00, and a life membership fee of \$25.00. Meetings are held every other month, with programs of interest to the

membership and the general public. There is no charge for any of these programs nor for use of any of the facilities of the museum. Announcements and dates of the meetings are published in the Hampton Union, and we cordially invite all to attend.

We also welcome contributions of any items of historical interest concerning the Town, its early life, and the people who reside here. We also encourage any donations or loans of family pictures or papers that will supplement our excellent references and records on Hampton families. We receive many inquiries from people tracing their roots from different parts of the country back to Hampton. We maintain contacts with other historical organizations, and can assist those seeking further data in other areas.

The most important resource we have is the people who work with us. They are most noticeable during July and August from 1-4 PM when the museum is open to the public seven days per week. They are our hosts and hostesses. They answer the questions from vacationers, tourists, and visitors about our town, its people, and its history. They have helped re-unite family ties, assisted in locating public facilities, and have made friends for our town all over.

In recognition of those who have offered their time at the Museum, I am happy to acknowledge our sincere gratitude to the following: Bill Barclay, Marjorie Batchelder, Leonore Bleher, Norma Brosie, Jewell Brown, Priscilla Brown, Myrtle Chadbourn, Ruth Chilton, Barbara Drew, Marion Freeman, Ethel Garland, Helen Garland, Mark Gilcreast, Grace Hickley, Carrie Higgins, Dorothy Holman, Grace Jackson, Allen Knight, Marion Knight, Marshall Kulberg, Diana LaMontagne, Peg Lawrence, Jessie Mason, Marion Mason, Judy Mills, Kay Morrissey, Cora Munsey, Ruth Osgood, Gertrude Palmer, Grace Pevear, Minnie Philbrook, Gertrude Richardson, Gertrude Sherburne, Pauline Stenstream, Dot Tobey, Peggy Wanzer and Marjorie Wood. I also wish to thank the Officers and Directors who oversee the operation of the Association: Horace Batchelder, Vice-president; Sam Towle, Treasurer; Peg Lawrence, Secretary; John Holman, Curator; Marion Freeman, Custodian; Diana LaMontagne, Historian; Directors: Bob Trumball, Arthur Irwin, Fran Harvey,

Minnie Philbrook and Harold Fernald. Special thanks go to Curator John Holman for the details on Reverend Jones and the early history of the Association further details of which can be found in a fine booklet available free to the public at the Museum. To the many, many fine people and business firms in the area who have contributed something to the Museum, be it their time, property, love, or support, our most sincere thanks.

Roger P. Garland, President

SHADE TREE COMMISSION REPORT 1977

Budget requested was \$3,000.00, budget granted was \$2,500.00. The committee met several times during the year. Over 40 trips were made to various sections of our town to view trees.

During the winter of 1976 & 77 our trees had much damage done due to ice and snow, therefore most of our funds went for repairs this year. We lost 26 trees by removal. We planted only 19.

Most of the locations of trees removed will not be used again due to width of area and salt from the roads.

Again this year we are very thankful to the Exeter and Hampton Light Co. and the Ralston Tree Service for work which we estimate saved our town from a \$1,000.00 to \$1,500.00.

As long as the disease which is affecting our elms and maples is with us, we can expect to have much tree loss.

\$ 321.12 went for planting.

840.00 for removal.

1338.88 repairs.

\$2,500.00 budget for 1977.

We are very thankful for the citizens who have an interest in our tree program and to the folks who called us for attention to trees in need of help.

Respectfully submitted,

Roland W. Paige

For the Committee.

Shade Tree Commission 1977

November 24, 1977

Mrs. Virginia Blake

Mr. Philip N. Blake, Jr.

Roland W. Paige

PLANNING BOARD

The moderately slow growth in Hampton is rapidly coming to an end. The Planning Board met nearly forty (40) times this past year, hearing more than two hundred-fifty (250) petitions on site plan reviews, subdivisions and use changes.

Large apartment developments have decreased substantially. The trend this year was for single family housing. Several large subdivisions have been approved by the Board.

Along with the growth in population, established businesses are enlarging their facilities as new companies are locating in Hampton to cope with the demands.

The resort industry at Hampton Beach is another area that is rapidly growing. The Board has approved many new additions to hotels, motels, apartments and condominiums. With these added facilities, more thought will have to be given to future planning for new access roads.

In the coming year, the Planning Board plans to submit to the voters in March a control growth article to help curtail the expansion of Hampton in a manner not to exceed the capacity of providing the expanded service to support such growth.

Planning Board meetings are held at least twice each month, on the first and third Wednesdays, and interested residents of the Town are welcome to attend.

Respectfully submitted,
Donald D. Surprenant, Chairman
Ashton J. Norton, Vice Chairman
Samuel A. Towle
Loren H. Hutchins, III, Clerk
Meanas V. Danielian
Anthony Olbres
Clifford H. Eastman, Sr., Selectman Member

ZONING BOARD OF ADJUSTMENT

Your Zoning Board of Adjustment expanded its regular meeting schedule in 1977 to include the summer months. A total of 65 petitions were recieved for which public hearings were advertised. The number of petitioners seeking relief from strict compliance with Article XII (concerning Certificates of Year-Round Occupance) decreased markedly compared with 1976, when the Town began an enforcement campaign and special hearings were required to handle the caseload.

Building Inspector John Medlock was present at most of the 1977 hearings. During the last half of the year, both procedural and substantive advice was sought from new Town Counsel Seth Junkins, as authorized by the Selectmen.

Pursuant to a 1973 amendment to Chapter 31, New Hampshire Revised Statutes Annotated, said chapter and amendments being adopted by reference as part of the Hampton Zoning Ordinance, the Board continued to collect a fee in advance of the hearing from each petitioner. The fee is intended to cover the cost of advertising the legal notice and the certified mailing of same to abutters and petitioners. In 1977 the fee was \$15.00; the total of \$975.00 collected was deposited with the Town to offset the \$600.00 appropriated by the Town to carry out the work of the Board.

The powers of a community's Zoning Board of Adjustment include the granting of a Variance or Special Exception to the terms of the Zoning Ordinance; allowing the less restrictive use-zone to apply to a parcel of land situated in two zones; granting relief from an administrative zoning/building decision; and, granting of a Variance to the Official Map (roads). A public hearing must be held before the Board can make a decision in its area of jurisdiction. Petition forms are available from the Building Inspection Department at the Town Offices, 136 Winnacunnet Road. To be considered at a regular third-Thursday-of-the-month hearing, a completed petition form must be submitted to the Building Inspection office by the end of the preceding month. Official minutes of the hearings and public determination meetings are filed in the Board's office in the Building Inspection Department.

Of the 65 petitions filed for public hearings, 64 were for Variances and one was an appeal from an administrative decision of the Selectmen/Building Inspector. No petition for a Special Exception to Article III (Uses) was recieved. In addition, five petitions for Re-hearings were recieved; two were granted and three were denied. The 65 petitions for a public hearing were disposed of as follows:

- 34 Variances were granted (9 of which were granted subject to conditions set by the Board).

- 21 Variances denied (4 of which were denied for lack of jurisdiction).

- 8 Petitions were withdrawn (4 prior to the hearing, 4 during the hearing).

- 1 petitioner failed to appear.

- 1 Appeal from an Administrative Decision was granted.

Joseph C. Flynn, Chairman

HAMPTON BEACH VILLAGE DISTRICT AUDITOR'S OPINION

I have examined and audited the accounts and records of the Hampton Beach Village District, New Hampshire for the fiscal year ending December 31, 1977.

My examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of accounting records and such other auditing procedures as were considered necessary in the circumstances.

In my opinion, the accompanying balance sheets and statements of sources of revenues and expenditures present fairly the financial position of the Hampton Beach Village District, New Hampshire at December 31, 1977, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on basis consistent with that of the preceding fiscal year.

Respectfully submitted,
Frank A. Briggs
East Kingston, N.H.

TOWN WARRANT

1978

**TOWN OF HAMPTON
STATE OF NEW HAMPSHIRE
TOWN WARRANT FOR 1978**

To the inhabitants of the Town of Hampton in the County of Rockingham, said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Hampton Fire Station on 140 Winnacunnet Road on Tuesday, the fourteenth (14) day of March, 1978, at eight o'clock in the forenoon to act upon the following subjects: Article 1 and Articles 26 through 43.

Pursuant to the action in Article 16 in the 1973 Town Warrant, the Board of Selectmen has set Saturday, March 18, 1978 at 10:00 AM at the Winnacunnet High School Auditorium for the second session of the Annual Town Meeting to act upon the following subjects: Articles 2 through 25, and Article 44 and 45.

ARTICLE 1

To choose by non-partisan ballot, two (2) Selectmen for three years, one (1) Treasurer for one year, one (1) Trustee of Trust Funds for three years, four (4) members of the Municipal Budget for three years, one (1) Supervisor of the Checklist for six years, one (1) Moderator for two years, and one (1) Library Trustee for three years.

(The Polls for the election of officers and Australian Ballot Articles will open at eight o'clock in the forenoon and will close at seven o'clock in the evening of the same day.)

ARTICLE 2

On petition of Michael C. McCarthy and 12 other legal voters of the Town of Hampton, to see if the Town will vote to:

Raise and appropriate the sum \$960,735.00 to be added to a gift of \$25,000.00 made by Wheaton J. Lane, said total amount of \$985,735.00 to be used for the purpose of building and equipping an addition to the Lane Memorial Library in accordance with the report submitted at the 1978 Annual Meeting by the Library Study Committee, said sum to be raised by the issuance and sale of notes and/or bonds

of the Town of Hampton in accordance with the Municipal Finance Act, in the principal amount of \$960,735.00, maturing over a twenty year period, the provisions for the sale of the notes and/or bonds and all other matters relating to, to be delegated to the Selectmen.

(Recommended by the Budget Committee)

ARTICLE 3

To see if the Town will vote to:

(A) Appropriate the sum of \$80,000 to purchase a new Tanker/Pumper with a 1,250 GPM pump and a 1,000 gallon water tank. This vehicle would replace the 1965 Maynard pumper which has already cost the Town in excess of \$20,000 for major repairs and which is no longer a reliable piece of fire apparatus. The new Tanker/Pumper would also enable the Fire Department to carry more water to those areas outside the present hydrant district.

(B) Authorize the Selectmen to issue and sell such bonds or notes and determine the rate of interest to be paid thereon as may be necessary to effect issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Hampton, New Hampshire.

(C) Authorize the Selectmen to enter into agreements and contracts and to take other action necessary to purchase said fire truck and to apply for and to accept State or Federal grants in aid of such project.

(D) Any other action in connection with the foregoing matters or any of them.

(Recommended by the Budget Committee)

ARTICLE 4

To see if the Town will vote to:

(A) Appropriate the sum of \$45,000 for the purpose of removing and constructing three new tennis courts in Tuck Field, said project to include all labor, materials, and installation;

(B) Authorize the Selectmen to issue and sell such bonds or notes and determine the rate of interest to be paid thereon as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Hampton, New Hampshire;

(C) Authorize the Selectmen to enter into agreements and contracts and to take any other action necessary to complete said project and to apply for and accept any State or Federal grants in aid of said project;

(D) Any other action in connection with the foregoing matters of any of them.

(Not Recommended by the Budget Committee)

ARTICLE 5

To see if the Town will vote to raise and appropriate the sum of \$23,252 to fund cost items relating to the Police Officers' salaries and benefits for 1978, such sum representing the cost of those additional salaries and benefits authorized to be offered by the Hampton Selectmen to the Police Relief Association in the collective bargaining sessions which are still going on.

(Recommended by the Budget Committee)

ARTICLE 6

To see if the Town will vote to raise and appropriate the sum of \$23,943 to fund cost items relating to the Firefighters' salaries and benefits of 1978, representing the cost of those additional salaries and benefits authorized to be offered by the Hampton Selectmen to the Permanent Firefighters Association in the collective bargaining sessions which are still going on.

(Recommended by the Budget Committee)

ARTICLE 7

To see if the Town will vote to accept or reject the following recommendation of Fact Finder Frank S. McDonnell submitted November 7, 1977 in the matter of Fact Finding between the Town of Hampton and the Hampton Permanent Firefighters' Association, which fact findings and the submission of this Article being in accordance with the New Hampshire Revised Statutes Annotated 273-A:12;

(1) The Fact Finder recommends a 5% increase "across the board" retroactive to January 1, 1977;

(2) The Fact Finder recommends that Article 20 (Sick Leave) Section 1 be amended to read: "Upon retirement or voluntary quit (after 5 years continuous service) the Town will pay to the individual an amount representing 22.5% of his accumulated unused sick leave."

ARTICLE 8

To see if the Town will vote to accept the budget as submitted by the Municipal Budget Committee, and to raise and appropriate the sum of \$3,472,322.

ARTICLE 9

To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing fund established under the provisions of the State and Local Assistance Act of 1972 for the use as set-offs against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action herein:

Appropriation	Amount
Police	\$24,333
Fire	\$24,333
Public Works	\$24,334
Total	<u>\$73,000</u>

(Recommended by the Budget Committee)

ARTICLE 10

To see if the Town will vote to have a reappraisal made of all real estate in Town and to raise and appropriate the sum of \$98,000.00 for this purpose; to authorize the use of Revenue Sharing funds to defray the expense of such reappraisal; or to take any other action hereon. Said reappraisal has been ordered by the State of New Hampshire, Board of Taxation.

(Recommended by the Budget Committee)

ARTICLE 11

To see if the Town will vote to raise and appropriate the sum of \$31,200 to purchase 12 acres, more or less from Mr. George Bergon; said acreage being an integral part of Hampton's Sanitary Landfill and necessary for continued access to the site from Landing Road.

(Recommended by the Budget Committee)

ARTICLE 12

On petition of Frances W. Irving and 21 other legal voters of the Town of Hampton, to see if the Town will vote to:

Raise and appropriate the sum of \$1,520 to assist Rockingham Child and Family Services, a private, non-profit organization. The amount of this request is based on services rendered to 17 residents of the Town of Hampton during the period October 1, 1976 through June 30, 1977, inclusive. These residents used \$3,360 worth of service, however, only \$1,520 could be billed according to their ability to pay, resulting in a deficit of \$1,840. We therefore request either a match of what the Town residents were billed or the deficit in total, whichever is the **lesser** amount, in this instance being \$1,520. These funds to be used for current operating expenses to enable Rockingham Child and Family Services to continue providing individual and family counseling for residents of the Town of Hampton whether or not said residents are able to pay.

(Submitted without recommendation by
the Budget Committee)

ARTICLE 13

On petition of Richard P. Millette and 14 other legal voters of the Town of Hampton, to see if the Town will vote to:

Raise and appropriate the sum of \$150,000 to be used for the support of the New Hampshire Seacoast Region Association.

(Not recommended by the Budget Committee)

ARTICLE 14

On petition of Robert F. Preston and 10 other legal voters of the Town of Hampton, to see if the Town will vote to:

Raise and appropriate the sum of \$8,000 for the support of the Seacoast Regional Counseling Center, Portsmouth.

(Not recommended by the Budget Committee)

ARTICLE 15

On petition of Kenneth W. Malcolm and 15 other legal voters in the Town of Hampton, to see if the Town will vote to raise and appropriate the sum of \$1,000.00 to renovate and repair the Fire Alarm Signal System wiring in the area west of Lafayette on Exeter Road.

(Not recommended by the Budget Committee)

ARTICLE 16

To see if the Town will vote to give the Selectmen and Town Treasurer power to borrow not more than \$2,750,000 in anticipation of taxes.

(Recommended by the Budget Committee)

ARTICLE 17

To see if the Town will vote to discontinue a portion of the old Towle Farm Road in accordance with RSA 238, which portion runs westerly from the relocated Towle Farm Road at land of Philip A. Towle, S. Allen Towle and Murray A. Towle, for a distance of approximately 2,000 feet and terminates at the easterly side of Interstate Route 95 right-of-way.

The Town of Hampton shall be relieved of all obligation to maintain and all liabilities for damages incurred in the use of such portion of the old Towle Farm Road in the event it is so discontinued.

ARTICLE 18

To see if the Town will vote to lease its reversionary interest in the land now subject to a 99 year lease with the Hampton Beach Improvement Company (date of expiration, March 31, 1997) to the present sub-lessees of the Improvement Company (or their successors in title), said leases between the Town and sub-lessees to commence on April 1, 1977 at such rentals, for such terms and on such conditions as the Selectmen believe to be in the best interest of the Town; to authorize the Selectmen to execute and deliver in the name of the Town all such agreements and leases as may be necessary and proper for this purpose; and to take any other action relating thereto; (this land is part of that now leased to the Hampton Beach Improvement Company, bounded on the north by Island Path, on the east by Ocean Boulevard, on the west by Ashworth Avenue and on the south by the northerly line of the Bridge Lots, so-called.)

ARTICLE 19

To see if the Town will vote to empower the Board of Selectmen to lease to Bailey Motel, Inc., a parcel of Town land containing 2,645 square feet and designated on a plan entitled "Town of Hampton, Lot No. 583, January 1978, scale

1" equals 20 feet." Said lease to contain the restriction that no structure of any kind be placed upon the land.

ARTICLE 20

To see if the Town will vote to amend the Dump Ordinance as adopted by the 1967 Annual Meeting and amended at subsequent meetings; by deleting the permit expiration date of May 1, and substituting in its place, the date of January 1.

ARTICLE 21

To see if the Town will vote to give the Selectmen power to accept, administer, (including leasing for a term of years), or sell any Real Estate acquired through tax deeds, any sale to be at public auction or by requesting sealed bids therefor with reserve, with the exception that all tidal and fresh water marsh acquired through tax deeds be kept by the Town and placed under the jurisdiction of the Conservation Commission.

ARTICLE 22

On petition of Michael McCarthy and signatures of 12 registered voters of the Town, to see if the Town of Hampton will vote to:

Contract for or accept grants of Federal or State aid or both in connection with the construction of any addition to the Lane Memorial Library approved by the Town at this Annual Town Meeting, 1976, and to expend such grants to pay or reduce the indebtedness incurred on account of such construction.

ARTICLE 23

On petition of Arhtur J. Moody and 11 other legal voters of the Town of Hampton, to see if the Town will utilize in all Town Meetings, decisions, correspondence, documents and records the more common identity of the following:

Marelli Square: to use the more common Depot Square.

Hampton Beach Village District: to use the more common Precinct.

Cooperative Secondary School District No. 6: to use the more common Winnacunnet High School;

Municipal Sanitary Landfill: to use the more common Town Dump;

Ocean Boulevard (North Beach area): to use the more common North Shore Boulevard;

Wastewater Treatment Facility: to use the more common Sewer Plant;

Neil R. Underwood Memorial Bridge: to use the more common Hampton River Bridge;

Old Burying Ground: to use the more common Pine Grove Cemetery;

Meeting House Green Memorial Park: to use the more common Founders' Park.

And to authorize the recorder at such meetings and secretaries to such officials to substitute the above more common names when a citizen or official forgetfully writes or utters the legal and official name, notwithstanding to the contrary any provision of the United States and New Hampshire Constitutions' Bill of Rights concerning freedom of speech or expression, or any statute or ordinance requiring accurate records of public proceedings and legally worded documents.

Or by rejection of this article, to reaffirm the Town's official position that legal and historical accuracy is far more important in the course of Hampton events than any purported double-identity crisis.

ARTICLE 24

On the petition of Roger P. Garland and 15 other legal voters of the Town of Hampton; to see if the Town will vote to adopt the following:

A proposal by the President of the Meeting House Green Memorial and Historical Association, Inc. to have the Town of Hampton officially utilize the more common identity of the Association as the Hampton Historical Society in all Town Meetings, decisions, correspondences, and documents; such reference not intended to be utilized nor confused with any other organization.

ARTICLE 25

On petition of Thomas J. Cots and 40 other legal voters of the Town of Hampton; to see if the Town will vote to instruct the Selectmen to issue forthwith the full 5% salary increase to the members of the Hampton Permanent Firefighters Association, retroactive to January 1, 1977 in

accordance with the recommendations of the fact finder, the funds for said salary increase having been appropriated in the 1977 Town Meeting, and remaining encumbered for application to the 1977 salary payments for the Hampton Permanent Firefighters Association members.

ARTICLE 26

On petition of James E. Fallon and 157 other legal voters of the Town of Hampton; to see if the Town will vote on the following question: "Are you in favor of decreasing the Board of Selectmen to three (3) members?" as permitted by the New Hampshire Revised Statutes Annotated, Chapter 41:8-D. (Note) Article 26 appears on the Ballot worded as follows: "Are you in favor of decreasing the Board of Selectmen to three (3) members?"

ARTICLE 27

To see if the Town will vote to adopt the provisions of RSA 43-C to expand exemptions on real estate for the elderly, changing the eligibility requirement that a person may own no more than \$35,000.00 in assets of any kind to a requirement that a person may own no more than \$50,000.00 in assets of any kind. (Note) Article 27 appears on the Ballot worded as follows:

"Shall we adopt the new provisions of RSA 43-C to expand exemptions on real estate for the elderly, changing the eligibility requirement that a person may own no more than \$35,000.00 in assets of any kind to a requirement that a person may own no more than \$50,000.00 in assets of any kind?"

ARTICLE 28

To see if the Town will vote to adopt the following concerning the amendment which bases elderly exemption upon the assessed value of real estate and not the equalized value. (Note) Article 28 appears on the Ballot worded as follows:

"Shall we adopt the new provisions of RSA 72:43-B relative to expanded exemption on real estate for the elderly, changing the basis of the exemption from the equalized assessed value to the actual assessed valuation?"

ARTICLE 29

On petition of Allen R. Bridle and 16 other legal voters of the Town of Hampton, to see if the Town will vote to rescind the adoption of the provisions of New Hampshire Revised Statutes Annotated, Chapter 37, relative to the Town Manager, and in voting on the question of revoking the provision of this chapter the balloting procedure prescribed in section 15 of said chapter be followed by having the following question appear on the ballot:

"Do you favor the continuation of the Town Manager plan as now in force in this Town?" (Note) Article 29 appears upon the Ballot worded as follows:

"Do you favor the continuation of the Town Manager plan as now in force in this Town?"

ARTICLE 30

On petition of Allen R. Bridle and 16 other legal voters of the Town of Hampton, to see if the Town will vote to recommend that the Board of Selectmen hire an Executive Secretary of the Town votes to rescind the Town Manager position. (Note) Article 30 appears on the Ballot worded as follows: "Is it recommended the Board of Selectmen hire an Executive Secretary if the Town voted to rescind the Town Manager form of government."

ARTICLE 31

On petition of Marion E. Brown and 14 other legal voters of the Town of Hampton; to see if the Town will vote on the following opinion question: (Note) Article 31 appears on the Ballot worded as follows:

"Are you in favor of asking the members of the Board of Selectmen to ask for the resignation of the present Town Manager, Peter G. Lombardi?"

ARTICLE 32

On petition of Lea C. Downer and 30 other legal voters of the Town of Hampton; to see if the Town will vote to instruct its Selectmen to oppose, before Federal as well as State regulatory bodies as necessary, any proposal to include Financing Charges (CWP) in electric rates for facilities not actually able to provide services to the Town of Hampton or its residents.

ARTICLE 33

Are you in favor of the adoption of amendment to the Zoning Ordinance as proposed by petition of voters of the Town of Hampton?

To see if the Town will vote to ammend the Zoning Ordinance of the Town of Hampton to rezone from District B (business) to RA District (Residence A) that portion of Fairfield Park and Belmont Circle portion, lying westerly of Lafayette Road to land owned by the Boston & Maine Railroad as described below:

Beginning at a point on the westerly sideline of Lafayette Road at a point distant 110 feet, more or less, from the southerly sideline of Fairfield Drive and being the southwesterly corner of Lot No. 2 on a Plan of Fairfield Park and thence running N 56° 00' West, 180.25 feet, more or less, to a point; thence turning and running N 34° 58' East 15 feet, more or less, to a point; thence turning and running N 56° 00' West, 40 feet, more or less, to a point; thence turning and running S 34° 00' W, 222.4 feet, more or less, to land now or formerly of Rice; thence turning and running N 55° 30' W by Rice land, 100 feet, more or less, to Ruth's Lane, so-called; thence continuing N 55° 30' W across Ruth's Lane, 50 feet, more or less, to a point; thence continuing on the same course, 300.25 feet, more or less, to an iron pipe set in stones at land now or formerly of the heirs of Warren Dearborn; thence turning and running N 50° 21' West, 145.2 feet, more or less, by said Dearborn land to an iron pin set in stones; thence turning and running N 29° 19' West, 143.22 feet, more or less, to land of the Boston & Maine Railroad; thence turning and running by and along said Railroad land, N 42° 27' East, 464.3 feet, more or less, to a stake set in the ground; thence turning and running by and along said Railroad land, N° 14' E, 61.1 feet, more or less, to a stake set in stones; thence turning and running by and along said Railroad land, S 87° 97' East, 392.76 feet, more or less, to an iron pin set in the ground and to land now or formerly of Bernice Godfrey; thence turning and running S 44° 30' E, 413.0 feet, more or less, to a point on the westerly sideline of Lafayette Road; thence turning and running S 13° 01' W by said Lafayette Road, 100 feet, more or less, to a point on the northerly sideline of Belmont Circle; thence continuing across Belmont Circle, S 13° 01' West, 47.0 feet, more or less, to a point; thence turning and running S 22° 58' West, 47.7 feet, more or less, to a point;

thence turning and running S 32° 58' West, 41.6 feet, more or less, to a point; thence continuing S 32° 00' West, 95 feet, more or less, to the northerly sideline of Fairfield Drive; thence running S 34° 00' West, across said Fairfield Drive, 50.03 feet, more or less, to a point; thence continuing S 34° 00' W, 110 feet, more or less, to the point of beginning.

(Recommended by Hampton Planning Board)

ARTICLE 34

Are you in favor of the adoption of amendment to the Zoning Ordinance as proposed by petition of the voters of the Town of Hampton:

The undersigned, being legal voters of the Town of Hampton, New Hampshire, hereby petition for the following amendment to the Zoning Ordinance and Zoning Map of the Town of Hampton:

To see if the Town will vote to amend the Zoning Ordinance and Zoning Map to change from the General District to the Residence A District all of that area which is now in the General District and is within the area shown on plan entitled Plan of Part of "Eastgate" Hampton, N.H. Scale: -1 inch equals 60 feet April 1969 John W. Durgin Civil Engineers, which plan is recorded in the Rockingham Registry of Deeds as plan number D-2745, and plan entitled Plan of Part of "Eastgate" Hampton, N.H. Scale: 1 inch equals 60 feet, March 1973 John W. Durgin Civil Engineers, which plan is recorded in the Rockingham County Registry of Deeds as Plan number D-3680.

(Recommended by the Hampton Planning Board)

ARTICLE 35

Are you in favor of the adoption of amendment to the Zoning Ordinance as proposed by the petition of the voters of the Town of Hampton?

Upon the petition of Gerard Lavallee and E.J. Preston and 55 legal registered voters of the Town of Hampton, New Hampshire, to see if:

The Town will vote to amend the zoning map, Town of Hampton, September 1, 1972, as amended, by changing an existing residence "B" (RB) Zoning District, by extending Residence "A" (RA) District into the area shown in Red on the attached map and further described as follows:

Beginning at a point in the center line of Cusack Road (formerly North Beach Road) where the current Seasonal Business (BS) District and the current Residence "B" (RB) District join and thence running in a northeasterly direction along the "BS" District boundary to a point where said boundary joins the "RA" District near Willow Lane, thence in a southwesterly direction following the southerly boundary of the "RA" District which runs parallel to North Shore Road and Pond Lane to a point which is the corner at the boundary of the existing "RA" District and the existing "RB" District, thence in an easterly direction parallel to High Street by a line which is the extension of the "RA" and "RB" District Boundary line that runs parallel to High Street until said extension intersects with the existing "BS" District, thence northeasterly along said "BS" District to the point of beginning.

(Not recommended by the Hampton Planning Board)

ARTICLE 36

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinances as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton by adding to Article V the following section: 5.3 Only one sign advertising garage, barn or lawn sales, as permitted under Article III, Section 3.36.1, shall be permitted in Residence AA, Residence A, Residence B and Residence C - Seasonal District, and such sign shall not be permitted other than on actual day or days of such sale.

ARTICLE 37

Are you in favor of the adoption of Ammendment No.2 as proposed by the planning Board for the Town Zoning Ordinances as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton by striking out Footnote 17 in Article IV and inserting in place thereof the following:

(17) Where set back requirements are 4 feet any structure substantially on the setback line shall be of cement block construction, except that if of wood frame construction the structure shall have an approved sprinkler system. One and two-family dwellings are exempted from this requirement.

ARTICLE 38

Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinances as follows:

To see if the Town will vote to amend Zoning Ordinance of the Town of Hampton by striking from Article I, Section 1.6.5 all the words after the word "Ordinance", so that said section shall read as follows:

1.6.5 Lot Width: The distance between the side lot lines, measured along the setback line as established by this Ordinance.

ARTICLE 39

Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town Zoning Ordinances as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton as follows:

By adding to Article III immediately after the caption "Use Regulations" the following statement: Any use not specifically enumerated or defined in the following code is prohibited.

By striking out subsection 3.34 of Article III.

By renumbering subsections 3.35 of Article III and those following to begin as subsection 3.34.

ARTICLE 40

Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton by inserting after Article XI a new Article XI-A as follows:

Article XI-A Controlled Growth

To control the growth of the Town in a manner not to exceed the capacity of providing the expanded services to support such growth, and expressly to protect the public health standards such as water quality and sewage treatment, the following restrictions shall apply:

11-A.1 The number of building permits to be issued for new dwellings shall be limited to twelve per subdivision in any one calendar year.

11-A.1.1 For the purposes of Section 11-A.1 a subdivision is defined as the dividing of a lot, tract, or parcel of land into

more than two residential lots, whether or not any new street must be constructed to the same.

11-A.1.2 For the purposes of Section 11-A.1 those subdivisions which have been previously approved and in which more than two lots remain for which no building permit has been issued for a new dwelling shall be included as a subdivision under Section 11-A.1.

11-A.1.3 For the purposes of Section 11-A.1 a subdivision shall include additional tracts of land submitted in a separate plan where the additional tract of land is in the same ownership or under the same control and is a continuation of an approved plan.

11-A.1.4 For the purposes of Section 11-A.1 a duplex dwelling shall be considered as two permits.

11-A.2 Building permits for non-dwelling construction and for the expansion, alteration or replacement of existing dwellings are not subject to this article.

11-A.3 Mobile home parks shall be considered a subdivision for the purposes of this article and the number of mobile homes permitted to be located in a mobile home park shall be limited to twelve in any one calendar year.

11-A.4 Any residential lot having a frontage of 200 feet or more and being in size 1 acre or more shall be excluded from the provisions of this article.

ARTICLE 41

Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton by adding to Article III, Section 3.27 the following: No restaurants, hotels or clubs with on-sale permits as defined by RSA 181:4, nor clubs with licenses as defined by RSA 178:7, shall be located within a radius of 1,000 feet of any type of existing establishment as defined herein.

ARTICLE 42

Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the Town Zoning Ordinances as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton by striking out entirely Article XV, and substituting therefor the following:

Article XV - Violations Any person violating any of the provisions of this ordinance shall be subject to a fine as provided in RSA 31:88, as amended. The Board of Selectmen, or the Building Inspector, are hereby designated as the proper local authorities of the Town to institute appropriate action under the provisions of RSA 31:88.

ARTICLE 43

Are you in favor of the adoption of Amendment No. 8 as proposed by the Planning Board for the Town Zoning Ordinances as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton by inserting in Article III, Section 3.14 between the word "within" and the figure "2,000" the words "a radius of".

ARTICLE 44

To see if the Town will vote to empower the Board of Selectmen to apply for and accept any and all Federal grants that may be available to reimburse the Town for losses suffered as a result of the Blizzard of 1978; the Town having been declared a disaster area by the President of the United States.

ARTICLE 45

To transact any other business that may legally come before this meeting.

Board of Selectmen
Robert V. Lessard, Chairman
Helen W. Hayden, Vice Chairman
Francis H. Fitzgerald
Clifford H. Eastman, Sr.
Allen R. Bridle

AUDITOR'S OPINION

We have examined and audited the accounts and records of the Town of Hampton, New Hampshire for the fiscal year ended December 31, 1977.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheets and statements of sources of revenue and expenditures present fairly the financial position of the Town of Hampton, New Hampshire at December 31, 1977 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a consistent basis.

Respectfully submitted,
Podzik and Sanderson

Feb. 7, 1978

LETTER OF TRANSMITTAL

Members of the Board of Selectmen
Town of Hampton
Hampton, New Hampshire 03842

Gentlemen:

We have examined the financial statements of the Town of Hampton, New Hampshire for the fiscal year ended December 31, 1977, and have prepared the attached exhibits in conformity with the recommended format prescribed by the Municipal Services Division of the State of New Hampshire in accordance with R.S.A. 71-A:19. Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, District Court, Library Trustees, Trustees of Trust Funds, and Conservation Commission. The Lane Memorial Building Fund will be audited at a later date.

NOTES TO FINANCIAL STATEMENTS

Funds

Under governmental accounting, self-balancing financial statements are prepared for each fund. A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts, recording cash and other resources together with all related liabilities, obligations, reserves, and equities which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations or limitations. Please refer to the exhibits enumerated in the Table of Contents for the funds included in this report.

Accounting Method

The general accounting system of the Town of Hampton is on the cash basis except for the accountability of taxes and substantial accounts receivable. It is the practice of the Town to carry forward unexpended capital expenditure appropriations, representing those expenses which are committed or actually incurred. General operating expenses are budgeted on a twelve-month basis. Routine bills received after December 31 are included in the subsequent year. This practice is consistent with that of the preceding fiscal years.

General Fixed Assets

The Town does not maintain a record of fixed assets. Accordingly, a report of this type fund was not included within the scope of this audit.

FINANCIAL INFORMATION

General Fund

Comparative Balance Sheet	Exhibit A-1
Statement of Change in Fund Balance	Exhibit A-2
Statement of Appropriations and Expenditures Exhibit	A-3
Statement of Estimated and Actual Revenue and Budget Summary.....	Exhibit A-4

A comparative balance sheet disclosing the financial condition of the general fund at December 31, 1977 and December 31, 1976 is presented in Exhibit A-1. As indicated therein, the current surplus amounted to \$246,587 at December 31, 1977, as compared to a current surplus of \$211,730 at December 31, 1976. A statement of the change in fund balance is shown in Exhibit A-2.

Statements of appropriations and expenditures, estimated and actual revenue are included in Exhibits A-3 and A-4, respectively. As indicated by the budget summary, Exhibit A-4, a revenue surplus of \$75,091, plus a net unexpended balance of appropriations of \$113,172, resulted in a budget surplus of \$188,263 for 1977.

Capital Projects Fund

Comparative Balance Sheet	Exhibit A-5
--	--------------------

A comparative balance sheet of the capital projects fund disclosing the fund balance at December 31, 1977 and December 31, 1976 is included in Exhibit A-5. Long-term notes authorized - unissued totaled \$38,000 at December 31, 1977. The unappropriated fund balance, representing premium and accrued interest from the sale of the sewer bonds, plus interest earned on investments, amounted to \$36,604. Unless these funds are appropriated by vote of the Town, they may be expended only in accordance with the provisions of the New Hampshire Revised Statutes Annotated, Chapter 33, Section 3-A.

Long-Term Indebtedness

Comparative Balance Sheet	Exhibit A-6
Statement of Debt Service Requirements..	Exhibit A-7
A comparative balance sheet disclosing the total long-indebtedness of the Town is contained in Exhibit A-6.	

The long-term debt decreased by \$142,507 in 1977; from \$1,598,974 at December 31, 1976 to \$1,456,467 at December 31, 1977. A statement showing annual debt service requirements of principal and interest is contained in Exhibit A-7.

OTHER FUNDS AND OFFICIALS' ACCOUNTS CASH BASIS STATEMENTS

The accompanying supplemental exhibits covering segregated funds and the accounts of those officials entrusted with the custody, receipt or expenditure of Town funds, are presented in accordance with the current requirements of the Municipal Services Division of the State of New Hampshire. Although not considered necessary for a fair presentation of the financial statements and results of operations, our examination of these accounts included the same test and auditing procedures applied in the examination of the aforementioned exhibits. In our opinion, these exhibits present fairly the revenues collected and expenditures paid arising from cash transactions then ended on a basis consistent with that of the preceding year.

We would like to thank the officials of the Town of Hampton for their cooperation in providing us with the documents necessary for completion of the audit.

Very truly yours,
Plodzick and Sanderson

Total Credits	<u><u>\$209,320</u></u>

Note -

The present system inaugurated by the State of New Hampshire in issuing motor vehicle permits to the Town Clerks creates an audit problem due to the fact that the permits are preprinted and therefore not accounted for by the Clerk numerically.

Although our examination of the records included such tests as we considered necessary to express an opinion on the financial statements, it is not practical to account for 100% of the motor vehicle permits issued to the Clerk by the State of New Hampshire.
